NUMBER 32

Felix Garnsey And Warmer Run For Y. M. Presidency

Felix Garnsey and George Warmer and the ten candidates nominated for the Y. M. presidency for the college year 1929-1930.

Candidates for vice-president include Robert Chapman and Delmer Brown. Paul Allen is the only nominee for secretary, since Frank Miles withdrew his nomination. Bill Hewitt and Abbott Mason were nominated for the treasurer.

Elections will be held May 6, and the regular Y. M. meeting David Cherry, Harry Van Gorkum, and Mr. Newcomer comprised the nominating committee.

Discussion Group

Discussion groups and personal conferences with Bishop Paul Jones as leader and assisted by Hugh Landrum will be held this morning from nine to twelve and this afternoon from two to four in the "Y" Hut and "Y" room.

Students who wish to speak with Mr. Jones on popular problems of the day which interest the student world, are urged to see Frank Miles, Bill Hewitt, Mary Ford or Helen Heil who are arranging for the personal interview.

Cabinet Dinner

"Y. M." and "Y. W." cabinet members will be given a chance to speak with Mr. Jones at a joint cabinet luncheon to be held in the cafeteria from twelve to one today.

Junior Lions Admit New Members to Club

Initiation of six new members was the feature of the Junior Lions' meeting held Monday evening at Ketner's.

Rex Brown, Abbot Masen, Baxter Geeting, John Wykes, Jimmie Roach and Louis Hanson are the new members. Paul Mueller was pledged at this meeting.

The club voted to support the Junior Lions Central Council meeting at Azusa, May 7, with a one hundred per cent attendance.

Round Table Meet In "Y" Hut Today

Everyone is urged to attend the "Y" Round Table in the Hut this afternoon from four to five thirty to hear and discuss the topic "War" and "World Peace" with Bishop Paul Jones.

Admission will be ten cents, and tickets can be secured at the door. Refreshments will be served at the end of the meeting.

National Leaders Greet "Y" Clubs

"It is a delight to hear of this unique celebration of the Student Christian Association in Santa Ana, and to send greetings in behalf of the National Student Movements.

Such a day will give chance for expression of the growing freedom and friendliness among students themselves and among students and other groups in the community. It is this least developed art of understanding freedom and friendli-

ness which all of us are united to learn and to practice. As you learn more of it there in such significant days you will so much more enrich the life of the student movement everywhere.

Very Cordially,

Helen Price

National Students Secretary, Y. W. C. A. Asilomar Division.

Egbert Hayes

National Student Secretary, Y. M. C. A. Pacific Southwest Division.

Questionnaires on Fiesta Given Out Oratorical Trials Scheduled May 15

Questionnaires concerning Fiesta be distributed in assembly today, and students are asked to fill these out and return them immediately to Jimmie Roach or any member of the Fiesta committee.

These questionnaires are for the purpose of getting an idea of how many are planning to attend the Fiesta and support all the special programs and dinner. Students can get an idea from these questionnaires what the Fiesta is all about.

Since Fiesta is only two weeks away, students are urged to begin thinking about their Don and Donna costume.

Tryouts for the annual Junior College Oratorical Contest will be held in the auditorium May 15. Thelma Dugan, Arthur Groos, Delmer Brown, and Baxter Geeting have signified their intentions of entering and several more are expected to enter.

Each contestant must write an oration, not to exceed twelve minutes in length, on any topic of current interest.

Each junior college must select an orator to represent the college. He will go to Pasadena junior college to speak in the finals on May 31, at 8 p. m. The winner in the Pasadena contest will be awarded a silver loving cup properly engraved. The contest is open to any member of a junior college student body.

Last year Thelma Dugan won in the local contest and went to Fullerton junior college to speak. Her topic was "Woodrow Wilson, the exponent of world peace." She won third in the conference last year.

Newly Decorated "Y" Room to be Dedicated

With George Tobias as master of ceremonies, a newly painted and furnished "Y" room will be dedicated to day. Bishop Paul Jones will assist.

The "Y" room, which was renovated by Frank Miles and Bill Hewitt, presents an entirely different aspect with its checkerboard floor, varnished chairs, benches and tables, tinted walls, flowers, and pictures.

From now on until the end of the semester this room will be open to men students for recreation and study.

"Can One Be Honest" Subject Of Assembly Talk To Be Given By Bishop Jones At "Y" Assembly

Choice of Don and Donna in Question

Who will Father O'Sullivan crown as Don and Donna on Fiesta Day? It is up to every student to decide this question in the Don and Donna contest next week, according to Alice Prather, president of the A. W. S., which is sponsoring the contest.

This contest is an annual affair. Each club or organization is asked to submit the names of the candidates who seem to them the most typical for Don and Donna. The last day for candidates to be submitted is May 3.

Several clubs have already submitted the names of their candidates. The A. W. S. is supporting Melva Fletcher and Baxter Geeting; The Don, Doris Goff and Harold Hylton; Bachelors, Margaret Cianfoni and Joe Warner; French B club, Margaret Cianfoni and Delmer Brown.

Mothers and Friends Invited to A.W.S. Tea

Mothers and friends of all the students in the college are invited to an A. W. S. tea to be given in the "Y" Hut at 3:00 p. m., Friday, May 3. This is an annual event and all mothers are urged to attend. Last week invitations were sent to the mothers by the students.

Josephine Ball is chairman of the committee of hostesses with Mrs. Beeman, Mrs. Ernest Crozier Phillips, and Mrs. Eleanor Northerross assisting.

Dorothy Lutz is chairman of entertainment. She has arranged for the Boys' Quartet and the Girls' Quartet to sing, and for William Motley to play a cornet solo. There will also be a reader.

Refreshments are in charge of Loretta Spangler. Louise Griset has charge of the decorations.

Santa Ana J. C. Plans To Assist "Goodwill"

Dean Fisk announced that the Santa Ana school board and the Goodwill Industries made an agreement in which the Goodwill Industries will furnish the three Mexican schools with free lunches—providing there is the cooperation of the boys and girls.

The Goodwill Industries want old clothes, hats, shoes, papers. Cards are provided in the J. C. office. They are to be signed and returned to the office. Then the Goodwill Industries will collect at the homes.

Bishop Paul Jones will be the speaker at the Y. W. Y. M. Day assembly today in the high school auditorium. Bishop Jones will speak on "Can one be honest?"

C. C. Stewart, head of the journalism department, will sing "A Friend of Mine" and "Invictus" by Huhn.

Bishop Paul Jones is a graduate of Yale University and the Episcopal

Theological School, Cambridge, Mass. He was Bishop of Utah Episcopal 1914-1918, resigning at that time because of the opposition developed by his contention that war and Christianity were incompatible. He has been Secretary of the Fellowship of Reconciliation since 1920.

Few speakers have challenged the thinking of college students today on social Christianity more than Bishop Jones. His enthusiasm and his wide contact make him in constant demand. We are especially fortunate to be able to have him.

Everyone is urged to attend as this will probably be the outstanding assembly of the year.

Caps And Gowns Are Selected By Sophs

Sophomore class members voted in favor of black caps and gowns with white collars at a meeting held after assembly last week. The costume will cost \$2.50, and Stanley Norton will be in charge of collecting.

A vote by ballot will again be taken regarding the color of the caps and gowns as soon as the president receives the desired information from Los Angeles.

The class also voted to wear grey stoles with black fringe.

Students To Visit Huntington Library

According to Miss Dickson the junior college library class is going to Pasadena Saturday, May 4. The members will first visit the Pasadena Public Library and then will go to the Huntington Library.

Those who intend to go are Evelyn Armour, Madelyn Morelock, Clara Kate Owens, Helen Reynolds, Evelyn Rogers, Virginia Thomas, Eleanor Turner, Catherine Walbridge, Miss Sims and Mrs. Ellis.

Striving For The Good

One might say that the motto of the Y. W. C. A. is "increase in a growing knowledge" of everything worthwhile. To say that we have reached the goal this year would be contradicting the motto, but I hope the organization next year grows to a still greater goal! We have had a great deal of fun at our meetings—eating and singing and talking together. We have gained something there which could not have been gained elsewhere. I hope the group can have a larger group to share this "something" with, next year.

I hope the new cabinet may profit by our mistakes and make fewer in the course of their year's office.

We have tried to build constructively and to give the girls what they wanted. I believe we have attained that aim, but one is never satisfied, you know, with what he does—he always wants something better!—Mary Bruner

Value Of The "Y"

It has been the good fortune and privilege of the college Y. M. to be given a real "Y Day" here in Santa Ana College. The doors of this organization are open to all fellow students who feel within their hearts the desire to strive at a goal or quest, reached through an adventurous friendship.

These bonds of friendship cannot be broken by the mere passing of a wand since they have had their foundation in a strong bed of cooperative service. It is our desire to make this organization a real, living thing in this college. If we have not given you a chance at this friendship and brotherhood spirit, why not try to exert a little excess energy in becoming a fellow member, and without a doubt the secret will be discovered. We need every fellow to put across a man's job. We want you.—George Tobias.

Y. W. Importance Due To International Relationships, Says Mrs. Tessmann

The importance of the Y. W. C. A. to women students of junior college lies, it seems to me, in the significance we attach to the last word of the name association. We have many clubs and activities which meet the needs of the local campus; we have some which bring us into contact with other student bodies of Southern California, but the Y. W. is the only organization which takes us beyond California and beyond junior colleges and links us with great numbers of people making for great objects. The Y. W. now functions in forty-six nations, is dealing with religious, social, racial and economic problems and these are matters which concern the students vitally and in which they should have a share.

We have felt in our local Y this year the stimulating influence of

New members were initiated into Beta Gamma at a six o'clock dinner at Ketner's last Wednesday night. Initiation speeches were given by Leonard Morris, Dorothy Harman and Adelaide Mueller.

Margaret Glenn, Leonard Morris, Jimmy Roach, Adelaide Mueller, Wylie Carlyle, Fred Humiston, Delmer Brown, Felix Garnsey, Lavinia Compton and Dorothy Harman were those initiated.

The following old members were present: Ray Lindman, Mary Bruner, Eddie Gerhardt, Eleanor Turner, Joy Wilson, Willard White, Sterling Barnett, and Mrs. Tessmann, faculty adviser.

Anne Wiggin and are looking forward to the day with Bishop Paul Jones. Every year a number have the opportunity of broad contacts at Asilomar and at the spring conference. I hope that the Y. W. may become more of an influence on the campus in keeping students in touch with the trend of thought of the great leaders of our times and that it may emphasize the fact that college is the place to begin to consider seriously problems that every world citizen must meet.—Jennie Lashy Tessmann.

Art Students Visit Galleries At Laguna

Approximately twenty art students journeyed to the Laguna Beach art colony last Tuesday. They started the afternoon by going through the new art gallery. Some of the pictures which were the most popular are "Road to Yesterday", by Johnson, "Jade Necklace", by Kleitsch, and "Baptismal Font in Capistrano" by Kleitsch.

The visit to the art gallery was made more interesting by a talk given by Miss Hazel Bemus, head of the art department for the city schools. In discussing the various features of the pictures in the gallery, Miss Bemus outlined the works and biographies of some of the more famous artists in the Laguna colony.

Among the studios visited by the art students were those of Mr. Coleman, Miss Anna Hills, and D. W. Griffith.

Men Are Unexpected Guests Of A. W. S.

The A. W. S. beach party last Friday evening was held in spite of the cloudy weather. However, the hut had to take the place of the beach and the swimming pool the place of the cold Pacific.

Because of the scarcity of girls, every fellow in view was given an invitation to help eat the "eats". They roasted the hot dogs to work up an appetite and helped to eat the over supply of potato salad, pickles, pop and cookies.

Hugh H. Landman Is Visitor Here Today

Hugh H. Landman, field secretary of the Pacific Southwest Division, will visit Santa Ana junior college campus, today for the first time.

Mr. Landram, who will come with Bishop Paul Jones, is coming for the purpose of aiding "Y" discussions and meetings.

The truths, that science has revealed, have not only changed man's external environment but his thought life as well. Our education has become a problem of meeting a changing world and adjusting the individual life to these changes. The Young Mens' Christian Association is known throughout the length and breadth of the civilized world as a socializing organization which helps our young men to meet life and make these adjustments.

What the Y. M. C. A. means in our modern world is already well-known, but its three-fold purpose becomes even more fully significant when it lives on our own college campus. It fills a place that no other organization—academic, social, or fraternal, can fill. Many organizations are dependent upon specific classifications for their membership, but the Y. M. C. A. is not for the favored few in wealth, position, or scholarship. It opens its doors to every man on the college campus.

The Y. M. C. A. stresses character values in the most vital of life's problems. It attempts to foster the development of the old fashioned virtues. There is no greater choosing time in a man's life than his college years. The Y. M. C. A. seeks to guide in wise choices for a life of individual happiness and service to humanity.

The Y. M. C. A., through its varied program of activities, purposes to unlock the personality of each individual. It gives to each, opportunity according to his talents, and to all, the fine appreciation of human brotherhood and friendliness.—Milton V. Newcomer.

Honor Members Plan Mission Inn Dinner

According to Wallace Grebe, head of the Honor Society, the faculty is planning to entertain members of the Honor Society with a dinner at the Mission Inn some time in May. This is an annual event with the Honor Society.

At the last meeting a resolution was passed to look up the freshmen who were seal bearers in high school, and to entertain them in order to interest them in the college Honor Society.

Santa Ana Baseball Team Takes 6-5 Defeat at Hands of Viking Squad; Fail to Make Hits Good

Santa Ana's junior college baseball team went to Long Beach for its second conference tilt of the season Thursday and came back on the little end of a 6 to 5 score. The game was originally scheduled for Saturday but as two players are going to the relay carnival at Fresno with the track team, Coach Clyde Cook managed to have the game moved up.

The Dons played the worst ball they have this season, allowing more bobbles to be credited to them than in any previous game. The infield was not giving Bob Drysdale, Don hurler, the support he deserved and the consequence was that he had to do most of the team's work himself. Incidentally, Drysdale heaved a strong game, granting only nine hits. This pitcher will bear watching by the other teams for he certainly had the Vikings fooled most of the time.

Twice the Dons had the bases loaded, once with two out and once with but one man down, and out of the smear managed to score only one run. "Bomo" Koral's double in the ninth that he stretched into a homer on an overthrow from right field, and scoring Beatty ahead of him, gave the Dons two more runs and made the score look better.

Rod Smiley made a sensational one-handed catch in the third that saved the Dons from a worse licking. It was on a long hit to left-center and Smiley had to make a long run, just managing to snag the sphere with his left hand.

Talbert, Long Beach pitcher, had 12 strikeouts credited to him. He walked six and hit two men but otherwise was invincible. His weakness seemed to be left-handed batters but otherwise he worked on the boys with a lot of luck.

This defeat leaves the Dons with one win and one loss with a hard game coming up against Glendale next week. The box score:

Net Team Defeated In L. B. Tournament

Last Saturday the men's tennis teams were defeated by the Long Beach net men, winning two out of five matches. McPherson and Kolkhorst were the winners, winning second and third singles respectively.

Chilson lost first singles and fourth singles was forfeited by Santa Ana. Chamberlain and Groos were defeated for first doubles, as were Stein and Mueller in the second doubles match.

This defeat came as an upset to the local players as they had planned on winning at least two more of the matches. They are now looking forward to the tournament this weekend with a view to avenging themselves.

Dons to Play Third League Game Saturday With Glendale

Next Saturday afternoon the Don baseball team goes to Glendale to battle the Bucking Buccaneers in the third conference game of the season. So far the Dons have defeated Pasadena and have been defeated by Long Beach by a one run margin. If the local nine can defeat the Bucs they will be right up among the leaders of the league.

This is the first year that Glendale has had a baseball team and according to the meager reports that have come to our desk, Glendale is not so hot bus for that matter they may have improved. The Dons are not going to lay down in the job and if they come through like they expect to, the boys should bring the old bacon for our trophy case.

Coach Clyde Cook has not named the men who are scheduled to start and while some doubt seems to be present about the men who will start, undoubtedly Coach Cook will start his strongest combination against the lads from Glendale. The probable lineup will be: Drysdale p, Robinson c, Valentine 1b, Koral 2b, Beatty ss, Coral 3b, Edson lf, Smiley cf, and Tanaka rf. Some certain changes may be made, but as this is the lineup that Coach Cook favors he will probably start these men if at all possible.

Donnas Hold Tustin Girls to 13-13 Tie; Combined Soph-Frosh Team Fails to Show Usual Class

Accepting Tustin High's invitation for a game, the combined freshman and sophomore forces held the Tustin girls to a tie of 13 to 13 Monday.

The game afforded some good practice, but the Santa Ana players didn't show what they are capable of on the field.

Mildred Staples, Thelma Allen, Jane Stewart, and Alice Prather lead the J. C. scoring with two runs apiece. Dorothy Lutz, Katherine Markel, Dorothy Harmon, Lavinia Compton, and Ruth Tantlinger assisted with one run each. Several of the players showed some nice work, among whom, Staples and Harman stand out.

A return game on the J. C. field is to be played next Monday. The same week the interclass schedule begins on Wednesday. Three games are to be played by the freshman and sophomore teams to decide the championship.
